Worldbuilding Dashboard

SHOW IN THE MOMENT

VIEWER

- Who or what meets here?
- What keeps happening?
- What are the lived consequences?

Show a moment → Ask a useful question → Follow a consequence → Revise the Dashboard → Show the changed moment → Ask what follows

NOTICE DEPENDENCIES ACROSS THE DASHBOARD

TIME JUMPS

- When does this happen?
- What does it carry forward?

GEOGRAPHIC MAP

- Where does it happen?
- From whose position?

SHARED INHERITANCES

- What does every island begin by carrying forward?
- What may later be questioned or changed?

CORE STORY

- What keeps this world connected and recognisable?
- What tension makes it move?

ISLAND CONDITIONS

- What has become true on this island?
- What does this make possible, difficult, valuable or dangerous?

ISLAND RULES

- How is life organised here?
- Who decides, gets access or carries responsibility?

CORE MYTH

- Which story changes present action?
- Who may tell it differently?

SHARED PRACTICE

- What is repeated?
- What does refusal mean?

OBJECT

- What does this object make people do?
- What relations does it carry?
